#### Addendums attached for additional dog(s)

#### TERMS AND CONDITIONS:

- Fees for handling are as follows: \$30 per week for board, \$45 per show, mileage and expenses are based on actual expenses divided by number of dogs with us (our own counts as one regardless of actual number). Detailed billing is done on a monthly basis. Client will receive: copies of tear sheets (when available), all ribbons, and trophies. Cash prizes go to the handler.
- There will be an additional bonus to the handler if a dog is shown in the group and wins a placement. For Group placements an additional \$30 bonus goes to the handler, and \$100 for Best In Show wins. These will be included on the client's monthly statement.
- National Specialties will be \$150 for the week of the show, plus the cost of mileage and expenses. Dogs entered in Futurity or sweeps will be \$200 for the week. No board will be charged for the week of National if the dogs are entered.
- Puppies (less than 1 year old) will receive a \$10 per show discount on handling until such time as they are moved to the Open or American Bred class or they win their first major, whichever comes first. Unless otherwise noted here: \_\_\_\_\_
- Dog owner agrees to keep adult dogs with handler for at least 10 shows to give the dog and handler an honest chance under a variety of judges. (adult dogs being defined as 2 years old or older)
- The following photocopied documentation must be supplied with the dog:** Rabies Certificate, AKC Registration, 5-generation pedigree. If available, a recent show-type photo should also be provided for the Snovali website for advertising purposes. Dogs standing at stud should also have: OFA Certificate, vWD VetGen results certificate, Eye exam/CERF #, and recent Thyroid results. Or any other testing appropriate for the breed.
- Board includes food, grooming, dental care and conditioning of the dog for optimum appearance and performance in the AKC Conformation ring. **Dogs not being boarded with Snovali are subject to a \$10 surcharge per show.**
- Linda Kepner will show all client dogs except when circumstances arise beyond her control, in which case an assistant or another competent handler of her choice will handle the dogs. Regular fees will apply.
- Owner/client is responsible for paying handling fees unless the owner/client withdraws the entry and we are notified prior to the show closing date. If the dog is entered and not shown due to the inconvenience or any personal reason of the owner, the owner will be billed for the normal handling amount. If the dog is pulled due to needing majors and the major breaks, a discounted handling fee (1/2 normal rate) will be charged for that show, unless it is known prior to the show that the major will not hold.
- Class to be entered in will be determined according to the dog's age and condition. Dogs will be entered in the appropriate Open, American Bred, Junior or Puppy classes.
- The dog is required to be healthy and clean and up to date on all vaccinations (DA<sub>2</sub>PP, Bordetella, & Rabies). The dog must be parasite free and on heartworm preventative. The dog owner will pay for any treatment of parasites, vaccinations, or vet visits. Any injuries due to fighting will be treated as needed and costs associated with that injury will be the responsibility of the dog owner. Any pre-existing health conditions, past injuries, or temperament issues (dog-aggressive, coat chewing, sound sensitivity, etc...) MUST be disclosed before Snovali takes possession of the dog.
- The owner of the dog will provide an AKC Pet Healthcare plan on the dog for the duration of its time boarded with Snovali Presentation to cover any accidents, injuries or illnesses to the dog (minimum Essential Plus Plan). If the owner does not provide the insurance, a year plan will be purchased for them and added to their first monthly statement. Coverage can be purchased online at [www.akcphp.com](http://www.akcphp.com)
- Dogs standing at stud while being handled by Snovali Presentation will be bred by artificial insemination unless a clear vaginal culture and negative Brucellosis test is provided before breeding. Stud fees will be applied towards the dog's balance, minus a \$100 handling fee for the mating. The amount of the stud fee shall be set based on the age, number of points, national ranking, and testing status of the dog. All records of matings and copies of stud contracts will be provided to the stud owner.
- Snovali Presentation will not be responsible for any unfortunate accidents that occur while the dog is in their possession, unless negligence can be proven. At no time will the dog(s) be penned either attended or unattended in such a way that would put the dog(s) in jeopardy nor will they be left unattended on a grooming table. If required for a given dog, the pens will be covered for the dog's safety.
